**RESPONSE TO RESTRICTION REQUIREMENT**

Dear Examiner Snow:

In response to the Restriction Requirement mailed on November 8, 2005,  
Applicant elects Group I, claims 1-24.

The Examiner also required an election of species but neglected to provide a list of species from which the Applicant can chose. In a telephone call between Cameron Kerrigan and the Examiner, the Examiner suggested that the Applicant propose the species in this response. Accordingly, Applicant submits the following species for prosecution: (a) a sleeve; (b) polymer material; (c) depots; and (d) a wave pattern.

**Claims 1, 2, 4, 6, and 9-18 are readable on the species.** Applicant hopes that this is in line with what the Examiner had in mind. If this response is deficient, Applicant would appreciate a telephone call to Cameron Kerrigan.

The undersigned authorizes any fees that may be required, or credit of any overpayment to be made to Deposit Account No. 07-1850.

Should the Examiner have any questions regarding this communication, the Examiner is invited to contact the undersigned at the telephone number shown below.
